

METREL DELTAPAT COMPLETE

\$3,069.00 EXCL. GST

The Metrel DeltaPAT Complete offers the ultimate printing solution. You'll be able to connect your DeltaPAT 3309 tester, Zebra printer and Android device all together via Bluetooth connectivity. This will not only significantly speed up your test and tag process, but also make your job easier.

This kit will enable you to print tags on the spot, along with all the required information and company logo. When re-testing, a scanner isn't required as your Smart Device will scan QR barcodes and show previous results instantly.

Features

- » Heavy Duty Case with custom insert
- » Zebra Printer prints tags on the spot
- » Have a company logo placed on the tag
- » Rechargeable battery supplied with printer
- » Smart Device is used as a scanner
- » Use Android device as remote control
- » Bluetooth connects devices together
