DISCLAIMER

Please make sure that only the unit being calibrated is sent in. Any additional leads, cases or packaging sent in may incur an additional freight charge for return delivery. Please also ensure that all data is downloaded and saved from the unit, as this may be lost during the calibration process.

If you have any questions regarding delivery or pricing, please call us on 1300 656 938.

Alternatively, you can email us at calibrations@appliancetestingsupplies.com.au

Please include this form with your tester and send to your nearest service department:
